

SREE VAHINI INSTITUTE OF SCIENCE & TECHNOLOGY

DEPARTMENT OF ELECTRONICS & ELECTRICAL ENGINEERING

ACTION TAKEN REPORT IN A.Y 2019-2020

The institute collected the feedback from various stake holders i.e. students, parents, teachers , alumni and Based on the analysis done on various aspects valuable suggestions are provided and following actions has been conducted.

Students action taken report

SUGGESTION	ACTION PLAN
Students suggested the need for job oriented courses, training for facing interviews during campus selection.	Career guidance programs are given through counselling cell for the students development of their soft skills and communication ability.
Faculty-student interaction may be enhanced. Smart class programmes may be made effective.	Learning management system through interactive activities which enables the mutual interaction between student and faculty were encouraged.
Awareness among every student especially research scholars to publish articles may be created.	Workshops and seminars are conducted on various trending technologies for enhancing the knowledge for students.
Curriculum should include advanced learning modules.	Curriculum was designed in a satisfactory measures by the university.

Teachers action taken report

SUGGESTION	ACTION PLAN
Evaluation of departmental activities and action plans may be implemented with inputs from subject experts to improve the curriculum.	Academic meeting was conducted in the department level at the end of the year based on the inputs received from the various stake holders and appropriate suggestions are done to follow
Case study approach should be introduced	Case study assignments are provided to the students on different concepts.
Teachers are appointed as part of curriculum committee	Feedback given by the subject teachers are considered in the meetings held twice a year.
More practical knowledge should be gained	Group assignments and projects are held in the departmental activities.

Parents action taken report

SUGGESTION	ACTION PLAN
Practical knowledge should be implemented in the departmental activities with lab sessions	Mini projects and individual presentations by the students are encouraged thoroughly in participating various competitions organised by prestigious institutions.
Focus on research oriented topics.	A training program on “MACHINE LEARNING USING PYTHON LAB” is planned for the next academic year.
Make the teaching more practical interesting	Certified courses organised by NPTEL SWAYAM,COURSERA were introduced.

Alumni action taken report

SUGGESTION	ACTION PLAN
Involve alumni in the meetings	Suggestions made by the alumni stake holder were considered and included in the important decision makings.
Concentrating more on practical knowledge	Students should be encouraged to take up research based projects and concentrating on demand technologies.
Employment skills should be improved.	Communication skills training ,career decisions are to be built in the III year itself .
